Today's agenda

Business review

- ✓ Sustainability is in our core
- ✓ Q1 highlights

Strategic development and market outlook

- ✓ Strategic cornerstones and development
- ✓ Priorities in 2022
- ✓ Business outlook for 2022 and financial targets

Sustainability is a key part of Verkkokauppa.com's operations

High-quality, safe products and selling products that customers actually need are at the heart of our operations

Our sustainability focus areas

At the customer's service and on their side

- We sell products that customers actually need: our products are safe and of high quality, and product information and communications are transparent
- We offer services supporting sustainable consumption
- We promote responsible working conditions and environmental practices throughout the supply chain

Smaller environmental impact

- We minimize our impact on climate
- We promote the use of responsibly sourced materials and material efficiency
- We promote the circulation of materials

Verkkokauppa.com as a Community

- We invest in leadership and culture
- We promote well-being and support professional development
- With us, you can be as you are

Profitable business and good governance

- We run profitable business operations
- We adhere to good governance principles and manage risks
- We ensure strong information security

Through our sustainable sales concept, we are able to keep the **low level of product returns:**

1%

of the sold products were returned in 2021

Key takeaways from the 1st quarter

1

Soft consumer demand throughout the quarter, consumer uncertainties impacting purchasing behavior

2

Good performance in B2B sales, increase of +12.0%

3

Despite competitive environment and a larger share of lower-margin sales, gross profit margin remained at a good level of 15.4%

4

The acquisition of e-ville.com online store was finalized

5

The investment on automated Jätkäsaari logistics hub was finalized

6

We are determinedly continuing strategy execution towards long-term targets by the end of 2025

Update on strategy execution

2021-2025

Our Strategy

Remaining
A PIONEER
OF COMMERCE
THROUGH INNO-
VATION AND
DEVELOPMENT

THE ROAD
Towards
A BILLION!

- NPS! Excellent
- CUSTOMER EXPERIENCE & STRONG BRAND
- EFFICIENT FULFILMENT
- SUPERIOR TECHNOLOGY BACKBONE
- TRUST!
- EXTENSIVE ASSORTMENT
- HOW EASY!
- COST COMPETITIVENESS
- LOVE IT!

Our values: COURAGE, TRANSPARENCY, AGILITY, COMMUNITY

Strategy execution – developing our operations towards our targets

Assortment

The widest and most exciting assortment in chosen categories, available from single store/platform. New (premium) products always available among the first in Finland

Experience

Frictionless omnichannel experience built upon inhouse technology stack. Customer journeys designed around the digital consumer from day 1

Speed & Flexibility

Delivery experience fuelled by highest availability and convenience. Always accurate and transparent offering across all channels and locations

Trust

Most transparent product information platform (online & offline). Fair pricing that you can trust to be “probably always cheaper”

Our mission is to provide the **best possible customer journey** within Nordic retail for selected categories

Next steps taken on the journey towards long term targets

Warehouse automation

- Autostore automation in Jätkäsaari was finalized during the first quarter
- Automation improves the capacity of the warehouse and the availability of products
- First results on efficiency very promising; picking speed up to 200 articles per hour (4x to previous manual picking)
- Next step of the investment: Packaging automation system to be installed during Autumn
- Automated picking and packing process is the enabler for the strategic goal of faster order fulfillment

E-ville.com acquisition

- Acquisition significantly accelerates own brand product development, efficient sourcing, and fast to market with new innovations
- Acquisition was completed on 1 April and new business will be consolidated into Verkkokauppa.com figures from the second quarter onwards
- The integration of the new business into Verkkokauppa.com is well underway

Investment rationale

 Focus on speed up assortment in own brands

 Extensive experience in sourcing in China

 Fast time to market of new products

 Additional value creation opportunities

In B2B we are following our planned trajectory

Increased interest from enterprise customer segment due to more comprehensive product & service mix

- Good performance in B2B business
 - new services to new customers e.g. 'Device as a Service' (ICT) concept
 - large household appliances to construction companies
 - eMobility to housing companies
 - overall comprehensive utilization of Verkkokauppa.com's wide range for the everyday needs of companies.
- Renewed customer care sales model for enterprise clients

	SMB	Enterprise & Public	
Our desired position & growth drivers	Total office offering / Total solutions	Best second supplier	
		Team of champions united for best solutions	
Customer segment development in Q1/2022	SMB customers +4%	Enterprise customers +40%	Overall sales growth +12%

Assortment development continuing despite challenging business environment

Assortment

- Significant changes in consumer spending and buying behavior challenges us to agile and rapid commercial decisions
- We continue to expand our assortment at a record pace, constantly looking into new possibilities, utilizing new trends and opportunities
- Today in our assortment is close to **88 000 items**
- With low consumer demand our focus has increased in the B2B sector, developing our corporate offering
- Value-adding services in the future focus to support and improve the user end-to-end experience
- Examples of growing product categories during Q1 2022:
 - Sports, Toys, Baby and Family, Luggage and Travel

Business outlook

Consumer confidence continuing low in May

Source: Statistics Finland, consumer confidence

- In May, expectations concerning consumers' own and Finland's economy continued very pessimistic.
- Consumers had very few intentions in May to spend money on durable goods within the 12 months. The time was considered the least favorable ever for making purchases.
- Estimates and expectations concerning inflation rose ever higher. Expectations concerning inflation in 12 months were higher in May than ever before.
- Estimates of the personal threat of unemployment or temporary lay-off experienced by employed persons remained relatively bright in May.

Short-term business and market outlook

There is uncertainty about the future outlook in relation to geopolitical conflicts in the world, the crisis in Ukraine and the macroeconomics

The company's growth prospects for the current year are considered challenging due to changes in the operating environment

The rise in inflation, as well as the crisis in Ukraine, have further undermined household confidence in their economy

We will succeed in taking advantage of the online consumer transition, and increase our market share in chosen product categories

The company estimates that the shift of customers to online is permanent

Our strong balance sheet enables us to expand in accordance with the strategy
